

I am very concerned about having my K-LOVE station being replaced by an LPFM broadcaster. I love this station! It is so uplifting and soul inspiring. I make a monthly donation to K-LOVE because I love being able to hear God's word every moment of everyday! Please, please DO NOT FORCE K-LOVE off the air. It is truly in the publics best interest. This station has changed lives and with your HELP IN KEEPING K-LOVE on the air, it will continue to change lives.
